

## **CURRICULUM VITAE**

Name: Gerald B. Healy, M.D.

### Education:

1963 A.B. Boston College (cum laude)  
1990 M.A. Harvard University (Honorary)  
1967 M.D. Boston University

### Post Doctoral Training:

#### Internship and Residencies:

1967-1968 Surgical Intern, University Hospital, Boston, MA  
1968-1969 Surgical Resident, University Hospital, Boston, MA  
1969-1972 Resident in Otolaryngology, University Hospital,  
Boston, MA

### Licensure and Certification:

1967 National Board of Medical Examiners  
1968 Massachusetts  
1972 Pennsylvania  
1972 American Board of Otolaryngology  
1985 American Board of Laser Surgery

### Academic Appointments:

1974-1975 Instructor in Otolaryngology  
Boston University School of Medicine  
1975-1977 Assistant Professor of Otolaryngology  
Boston University School of Medicine  
1977-1983 Associate Professor of Otolaryngology  
Boston University School of Medicine  
1975- Instructor in Otolaryngology  
Tufts University School of Medicine  
1979-1988 Associate Professor of Otolaryngology  
Harvard Medical School  
1983- Professor of Otolaryngology  
Boston University School of Medicine  
1988- Professor of Otology and Laryngology  
Harvard Medical School

### Hospital Appointments:

1975-1976 Associate Director, Otolaryngology  
Boston Veterans Administration Hospital  
Boston, Massachusetts  
1976-1979 Associate Otolaryngologist-in-Chief  
The Children's Hospital, Boston, Massachusetts

- 1979- Otolaryngologist-in-Chief, The Children's Hospital  
Boston, Massachusetts
- 1984-1988 Associate Staff  
Massachusetts Eye and Ear Infirmary  
Boston, Massachusetts
- 1995-1998 Surgeon-in-Chief, The Children's Hospital  
Boston, Massachusetts
- 1994-1998 Trustee, The Children's Hospital  
Boston, Massachusetts

Other Professional Positions:

- 1972-1973 Chief, Otolaryngology  
Valley Forge Army Medical Center  
Phoenixville, Pennsylvania
- 1973-1974 Chief, Otolaryngology  
William Beaumont Army Medical Center  
El Paso, Texas
- 1975-1976 Associate Director, Otolaryngology  
Boston City Hospital, Boston, Massachusetts

Major Committee Assignments:

National and Regional:

- 1978-1981 Continuing Education Committee  
American Academy of Otolaryngology-  
Head and Neck Surgery
- 1979-1980 Chairman, Section Otolaryngology and  
Bronchoesophagology, American Academy of Pediatrics
- 1980-1982 Committee on Hearing and Equilibrium  
American Academy of Otolaryngology-  
Head and Neck Surgery
- 1982-1988 Chairman, Committee on Pediatric Otolaryngology  
American Academy of Otolaryngology-  
Head and Neck Surgery
- 1983- Fellow, American Laryngological Association
- 1983-1986 Nominating Committee, American Academy of Pediatrics
- 1983-1984 Program Committee Chairman - Otolaryngology  
American Society for Lasers in Medicine and Surgery
- 1983-1993 Executive Council, American Bronchoesophagological  
Association
- 1985- Executive Council, American Laryngological Association
- 1986- Board of Directors, American Board of Otolaryngology
- 1987 President, American Society of Pediatric Otolaryngology
- 1987- By-Laws Committee, American Board of Otolaryngology

1988-1992 Board of Directors, American Board of Emergency Medicine  
 1988-1992 Committee on Certification, American Board of Medical  
 Specialties  
 1988-1992 Committee on Certification, American Board of  
 Otolaryngology  
 1989-1992 Nominating Committee, American Board of Otolaryngology-  
 Chairman  
 1989-1992 By-Laws Committee, American Board of Otolaryngology-  
 Chairman  
 1989-1990 President-Elect, American Bronchoesophagological  
 Association  
 1990-1991 President, American Bronchoesophagological Association  
 1991-1993 Chairman, Outcomes Committee, American Academy of  
 Otolaryngology-Head and Neck Surgery  
 1991-1993 Chairman, Massachusetts Developmental Disabilities  
 Council  
 1991-1996 Governor - American College of Surgeons  
 1992-1996 Treasurer, Massachusetts Chapter, American College of  
 Surgeons  
 1992- Executive Committee, American Board of Otolaryngology  
 1993- American Board of Otolaryngology Representative to  
 American Board of Medical Specialties  
 1993-1998 Secretary, American Laryngological Association  
 1995-1998 Chairman, Advisory Council - Otorhinolaryngology  
 American College of Surgeons  
 1996- Residency Review Committee, Otolaryngology  
 1997-1998 Executive Vice President-Elect, American Board of  
 Otolaryngology  
 1997- Board of Regents, American College of Surgeons  
 1998-1999 Vice President/President Elect, American Laryngological  
 Association  
 1998- Executive Vice President, American Board of Otolaryngology  
 1999-2000 President, American Laryngological Association  
 1999- Central Judiciary Committee, American College of Surgeons  
 1999- Honors Committee, American College of Surgeons  
 1999- Executive Committee, Board of Regents, American College of  
 Surgeons  
 2000- President, American Laryngological, Rhinological, and  
 Otolological Society (Triological)  
 2001- Vice President, International Bronchoesophagological Society  
 2002- Chair, American College of Surgeons Task Force on  
 Systems Based Practice.  
 2002- Central Judiciary Committee, Chair, American College of

## Surgeons

### Local:

- 1981-1982 Intermedical Advisory Committee  
Blue Cross/Blue Shield of Massachusetts
- 1996-1997 President-Elect, Massachusetts Chapter, American College of Surgeons
- 1997-1998 President, Massachusetts Chapter, American College of Surgeons
- 1999- Membership Committee, Massachusetts Chapter, American College of Surgeons
- 2002-2003 Search Committee, Chairman of Ophthalmology, Massachusetts Eye & Ear Infirmary, Boston

### Hospital:

- 1976- Staff Executive Committee, Children's Hospital Boston, Massachusetts
- 1979-1980 Tissue Committee  
Children's Hospital, Boston, Massachusetts
- 1980-1984 Strategic Planning Committee  
Children's Hospital, Boston, Massachusetts
- 1981-1982 Risk Management Committee  
Children's Hospital, Boston, Massachusetts
- 1981-1983 President, Staff Association  
Children's Hospital, Boston, Massachusetts
- 1984-1989 Chairman, Operating Room Planning Committee  
Children's Hospital, Boston, Massachusetts
- 1986-1991 Vice Chairman - Staff Executive Committee  
Children's Hospital, Boston, Massachusetts
- 1987-1990 Chairman, Credentials Committee  
Children's Hospital, Boston, Massachusetts
- 1989-1995 Governance Committee  
Children's Hospital, Boston, Massachusetts
- 1991-1998 Chairman, Medical Staff Executive Committee  
Children's Hospital, Boston, Massachusetts
- 1994-1998 Trustee, The Children's Hospital  
Boston, Massachusetts
- 2001- Chairman, Peer Review Committee, Children's Hospital Boston, Massachusetts.
- 2002- Search Committee for Chairman of Surgery, Children's Hospital and Harvard Medical School, Boston
- 2002- Research Faculty Council, Children's Hospital, Boston
- 2002 Recruitment and Resource Committee

2003

Implementation Steering Committee, Children's Hospital,  
Boston, Massachusetts

Editorial Boards:

- 1976- Reviewer, Journal of Pediatrics
- 1977- Reviewer, Pediatrics
- 1979- Reviewer, New England Journal of Medicine
- 1979- Editorial Board, International Journal of Pediatric Otolaryngology
- 1982-1988 Reviewer, The Laryngoscope
- 1988- Editorial Board, The Laryngoscope
- 1988- Editorial Board, Annals of Otolaryngology, Rhinology & Laryngology
- 1993- Editorial Board, Diagnostic and Therapeutic Endoscopy

Memberships, Offices, and Committee Assignments in Professional Societies:

- 1968 Massachusetts Medical Society
- 1972 New England Otolaryngologic Society
- 1972 American Academy of Facial Plastic and Reconstructive Surgery
- 1973 American Academy of Otolaryngology Head and Neck Surgery
- 1976 Society of University Otolaryngologists
- 1977 American College of Surgeons - Fellow
- 1977 American College of Chest Physicians - Fellow
- 1977 Pediatric Otolaryngology Study Group
- 1977 American Academy of Pediatrics - Fellow
- 1977 Centurion Club of the Deafness Research Foundation
- 1978 American Bronchoesophagological Association
- 1978 Society of Head and Neck Surgeons
- 1978 Chairman, Pediatric Otolaryngology Study Group
- 1978-1979 Secretary-Treasurer, American Academy of Pediatrics, Section of Otolaryngology and Bronchoesophagology
- 1979-1980 Chairman, American Academy of Pediatrics, Section of Otolaryngology and Bronchoesophagology
- 1980 Pan American Society of Otolaryngology
- 1982 Fellow, American Laryngological, Rhinological and Otological Society [Triological Society]
- 1982-1985 Chairman, Committee on Pediatric Otolaryngology, American Academy of Otolaryngology - Head and Neck Surgery
- 1983 American Society for Head and Neck Surgery-Fellow, American Laryngological Association
- 1983-1989 Editor, American Bronchoesophagological Association
- 1983 American Society for Lasers in Medicine and Surgery
- 1984 Boston Surgical Society
- 1985-1988 Board of Directors, American Academy of Otolaryngology - Head and Neck Surgery

- 1985- Oral Examiner - American Board of Otolaryngology
- 1985-1986 Vice President, New England Otolaryngology Society
- 1985 Executive Council, American Society for Pediatric Otolaryngology
- 1985 Pan Pacific Ophthalmological and Otolaryngological Society (Honorary)
- 1986-1987 President, New England Otolaryngological Society
- 1986 Irish Otolaryngological Society
- 1986 American Board of Otolaryngology, Board of Directors
- 1987-1988 President, American Society of Pediatric Otolaryngology
- 1989 Diplomate, American Board of Laser Surgery
- 1989 Councilor, Massachusetts Chapter American College of Surgeons
- 1990 President, American Bronchoesophagological Association
- 1990 Japan Bronchoesophagological Society
- 1992-1996 Treasurer, American College of Surgeons, Massachusetts Chapter
- 1993- Royal Society of Medicine
- 1995- Collegium Amicitiae Sacrum
- 1996-1997 President-Elect, American College of Surgeons, Massachusetts Chapter
- 1996-1997 President, Massachusetts Chapter, American College of Surgeons
- 1998- International Bronchoesophagological Society
- 1998-2000 Tonsils & Adenoids Subcommittee, American Academy of Otolaryngology – Head and Neck Surgery Foundation
- 1999-2000 President, American Laryngological Association
- 2000- President Elect, American Laryngological, Rhinological and Otological Society [Triological Society] (2002)
- 2002- President, American Laryngological, Rhinological and Otological Society [Triological Society]
- 2002-2003 Vice President, International Bronchoesophagological Society

Hospital:

- 1981-1983 President, Staff Association  
Children's Hospital, Boston, Massachusetts
- 1991- Chairman - Medical Staff Executive Committee  
Children's Hospital, Boston, Massachusetts

Research Interests:

1. Laser Correction of Subglottic Stenosis  
Milton Fund - Harvard Medical School  
\$6,000 / 1980-1982
2. The Effect of Interferon on Recurrent Respiratory Papillomatosis - A  
Multi-Center Study  
NIH Contract Award: \$1,125,000 / 1982-1987  
Interferon Foundation: \$ 100,000 / 1982-1987
3. Sarah Fuller Endowment - Chairman - \$8,000,000 – 1995-2001
4. Otitis Media - Prevention of Otitis Media in Infants and Children  
NINCDS/NIDCD: \$4,826,000 / 1986-1990

Teaching Experience:

- 1974-1976 Director, Basic Science Lectures in Otolaryngology  
First Year Medical Students  
Boston University School of Medicine
- 1974-1976 Director  
Physical Diagnosis in Otolaryngology  
Second Year Medical Students  
Boston University School of Medicine
- 1976- Course Developer, Elective in Otolaryngology at The  
Children's Hospital, Boston,  
Third and Fourth Year Students  
Harvard Medical School, Boston University School of  
Medicine, Tufts University School of Medicine
- 1977 CME Course Participant - Pediatric  
Otolaryngology Emergencies: Emergency Medicine  
Symposium, Boston University
- 1978 CME Course Participant - Microsurgery of  
the Larynx: Boston University Seminar on Laryngeal Surgery
- 1978 CME Course Participant - Otolaryngology  
and Allergy: Allergy Course, Division of Immunology, The  
Children's Hospital, Boston, Massachusetts
- 1979 CME Course Participant - Management of  
Benign Lesions of the Larynx in Children: International  
Symposium of the Larynx, University of California, San  
Francisco

1979 CME Course Participant - Use of the CO<sub>2</sub> Laser in the Pediatric Airway-CO<sub>2</sub> Laser Surgery Course, Boston University School of Medicine

1979 CME Course Participant - Problems in Pediatric Otolaryngology - Pediatrics

1980 Course, Department of Medicine Children's Hospital, Boston

1980 CME Course Participant - Head and Neck Tumors of Childhood, West Virginia Academy of Otolaryngology

1980 CME Course Participant - Perilymphatic Fistula - Fact or Fiction, West Virginia Academy of Otolaryngology

1980 CME Course Participant - Management of Subglottic Stenosis, West Virginia Academy of Otolaryngology

1980 Course Participant - Emergency Tracheotomy, Third Year Medical Students, Harvard Medical School

1980 CME Course Participant - The Use of CO<sub>2</sub> Laser in the Pediatric Airway - A Course in CO<sub>2</sub> Laser Surgery, Boston University School of Medicine

1980 CME Course Participant - Management of Laryngeal Papillomas, Medical College of Virginia, Richmond

1981 CME Course Participant - Respiratory Papillomatosis - A Review Course and Update in Obstetrics and Gynecology, Boston University School of Medicine

1981 CME Course Participant - Pediatric Otolaryngology - Pediatrics Post-Graduate Course, Department of Medicine, The Children's Hospital, Boston

1981 Course Participant - ICM Course - Second Year Medical Students, Harvard Medical School

1981 CME Course Participant - Problems in Pediatric Otolaryngology - A Course in Pediatric Otolaryngology, University of Virginia School of Medicine, Charlottesville

1981 CME Course Participant - Emergency Intubation -A Course in Otolaryngology Emergencies, Massachusetts Eye and Ear Infirmary, Boston

1982 CME Course Participant - The Use of the CO<sub>2</sub> Laser in the Pediatric Airway -CO<sub>2</sub> Laser Surgery, Boston University School of Medicine

1982 CME Course Participant - Pediatric Otolaryngology - Post-Graduate Course in Pediatrics, The Children's Hospital, Boston

1982 Course Participant - Emergency Tracheotomy, Third Year Medical Students, Harvard Medical School

1982 CME Course Participant - Emergency Intubation -A Course in Otolaryngology Emergencies, Massachusetts Eye and Ear Infirmary, Boston

1982 CME Course Participant - Nasal Surgery in Children, Mount Sinai School of Medicine, New York

1982 CME Course Participant - Treatment of Inflammatory Disorders of the Pediatric Airway, Mount Sinai School of Medicine, New York

1982 CME Course Participant - Pediatric Aspects of Facial Paralysis, Mount Sinai School of Medicine, New York

1982 CME Course Participant - Cauterization of the Tympanic Membrane, Mount Sinai School of Medicine, New York

1982 CME Course Participant - Management of Cholesteatoma in Children, Mount Sinai School of Medicine, New York

1982 CME Course Participant - Management of Otitis Media, Walter Reed Army medical Center, Washington, D.C.

1982 CME Course Participant - Middle Ear Disease in Children, Walter Reed Army Medical Center, Washington, D.C.

1982 CME Course Participant - Management of Benign Lesions of the Pediatric Airway, Walter Reed Army medical Center, Washington, D.C.

1982 CME Course Participant - Airway Problems in Children, Walter Reed Army Medical Center, Washington, D.C.

1982 CME Course Participant - Otitis Media in Children, Westchester County Medical Society, Rye, New York

1983 CME Course Participant - The Use of the CO<sub>2</sub> Laser in Pediatrics, Albert Einstein School of Medicine, New York

1983 CME Course Participant - Michigan State Medical Society

1983 ME Course Participant - American Academy of Pediatrics, Hilton Head, South Carolina

1983 CME Course Participant - Disorders of the Larynx in Children, Boston University School of Medicine

1983 CME Course Participant - The Pediatric Larynx, Harvard Medical School

1983 CME Course Participant - Larynx and Voice Disorders, Boston University School of Medicine

1984 CME Course Participant - Pediatric Otolaryngology, University of Illinois School of Medicine

1984 CME Course Participant - Laser Surgery in Children, Northwestern University School of Medicine

1985 CME Course Participant - Pediatric Otolaryngology, University of Miami School of Medicine

1986 CME Course Participant - The Jackson Course, Temple University, Philadelphia

1986 CME Course Participant - Colby College, Waterville, Maine

1986 CME Course Participant - American Academy of Otolaryngology - Head and Neck Surgery, San Antonio, Texas

1986 CME Course Participant - American Academy of Pediatrics, Washington, D.C.

1987 CME Course Participant - The Jackson Course, Temple University, Philadelphia

1987 CME Course Participant - University of Cincinnati, Caneel Bay, V.I.

1988 CME Course Participant - University of Miami School of Medicine, Miami, Florida

1988 CME Course Participant - The Jackson Course, Temple University, Philadelphia

1988 CME Course Participant - Advanced Laser Surgery Techniques, Lahey Clinic Medical Center, Burlington, Massachusetts

1989 CME Course Participant - University of Illinois - Instructor, Snowmass, Colorado

1989 CME Course Participant - The Jackson Course, Temple University, Philadelphia

1990 CME Course Participant - The Jackson Course, Temple University, Philadelphia

1992 CME Course Participant - Long Island College Hospital, Brooklyn, New York

1992 CME Course Participant - Current Clinical Concepts in Otolaryngology, Visiting Professor, University of Miami

1993 CME Course Participant - Surgical Techniques in Pediatric Otolaryngology, Massachusetts Eye and Ear Infirmary, Boston, Massachusetts, November, 1993

1994 CME Course Participant - Contemporary Concepts in Otolaryngology, St. Johns, Virgin Island

1994 CME Course Participant - Canadian Society of Otolaryngology, Toronto, Ontario

1994 CME Course Participant - Controversies in Pediatric Otolaryngology, New York City

1996 CME Course Participant - International Endoscopy Days in Pediatric Otorhinolaryngology, Lyon, France

- 1996 The William H. Saunders Lectureship, Arthur G. James Cancer Hospital and Research Institute and Ohio State University
- 1996 Visiting Professor - New York Eye & Ear Institute, New York, New York
- 1998 Visiting Professor and Adams Lecturer, Vanderbilt University School of Medicine
- 1999 CME International Endoscopy Day, San Diego, California
- 2000 Second Lawrence Savetsky Lectureship, Columbia University, College of Physicians & Surgeons, New York
- 2001 Inaugural Visiting Professor, Children's Hospital at Montefiore, Albert Einstein College of Medicine, New York
- 2001 Guest Lecturer, Chicago Laryngologic and Otologic Society, Chicago
- 2002 Guest Speaker, Children's Hospital, Boston. The Pediatric Airway Conference.

Awards:

- 1980 Best Teacher Award - Combined Boston Otolaryngology Training Program
- 1981 Recognition Award - American Academy of Otolaryngology - Head and Neck Surgery
- 1984 First Annual Bertalli Lectureship, Royal Children's Hospital, Melbourne, Australia
- 1985 Gill Memorial Lecture, Gill Hospital, Roanoke, Virginia
- 1990 Award, American Laryngological Association
- 1990 Guest of Honor, Japan Bronchoesophagological Association, Kagoshima, Japan, 42<sup>nd</sup> Meeting
- 1995 Alpha Omega Alpha, Boston, Massachusetts
- 1995 Distinguished Alumni Award, Boston University School of Medicine
- 1997 Chevalier Jackson Award, American Bronchoesophagological Association
- 2001 Guest of Honor, American Laryngological Association
- 2002 Newcomb Award, American Laryngological Association
- 2002 Distinguished Alumnus Award for Health, Boston College
- 2002 Guest of Honor, Eastern Section, Triology Society.

Principal Clinical and Hospital Service Responsibilities:

- 1974-1976 Attending Surgeon, Department of Otolaryngology, Boston City Hospital, Boston, Massachusetts
- 1974-1976 Director, Pediatric Otolaryngology Clinic Boston City Hospital, Boston, Massachusetts

1974-1976 Attending Surgeon, Division of Otolaryngology Veterans Administration Hospital, Boston, Massachusetts

1974-1976 Director, Otolaryngology Out-Patient Clinic Veterans Administration Hospital, Boston, Massachusetts

1976-1979 Director, Otolaryngology Out-Patient Clinic The Children's Hospital, Boston, Massachusetts

1976- Attending Surgeon, Clinic Service, The Children's Hospital, Boston, Massachusetts

1995-1998 Surgeon-in-Chief, The Children's Hospital, Boston, Massachusetts

#### Major Administrative Responsibilities:

1974-1976 Associate Director, Otolaryngology Boston City Hospital, Boston, Massachusetts

1975-1976 Associate Director, Otolaryngology Veterans Administration Hospital Boston, Massachusetts

1976-1979 Associate Otolaryngologist-in-Chief The Children's Hospital, Boston, Massachusetts

1979- Otolaryngologist-in-Chief, The Children's Hospital Boston, Massachusetts

#### Presentations:

Acute periorbital swelling: New England Otolaryngological Society, Boston, Massachusetts, 1971

Ataxia secondary to labyrinthine fistula: Eastern Section of the Triological Society, New Haven, Connecticut, 1973

Vestibular and auditory findings in perilymphatic fistula: American Academy of Ophthalmology and Otolaryngology, Dallas, Texas, 1975

Bifid epiglottis: A rare laryngeal anomaly: Eastern Section of the Triological Society, Toronto, Ontario, Canada, 1976

Vestibular findings in perilymphatic fistula: Instructional Course: American Academy of Ophthalmology and Otolaryngology, Las Vegas, Nevada, 1976

Recurrent respiratory papillomas: Society for Ear, Nose and Throat Advances in Children, New Orleans, Louisiana, 1976

Royal Eye and Ear Infirmary, Dublin, Ireland, Visiting Professor, 1976

Microbiology of middle ear effusions in children: Eastern Section of the Triological Society, Hamilton, Bermuda, 1977

Recurrent respiratory papillomas: New England Otolaryngological Society, 1977

Otitis media in children: New Hampshire Academy of General Practice, 1977

Pediatric Otolaryngology Emergencies: Emergency Medicine Symposium, Boston, 1977

Epiglottitis and croup: Merrimack Valley Otolaryngological Society, 1977

Discussant of two papers: Triological Society, Eastern Section, Pittsburgh, Pennsylvania, 1978

Robert M. True Memorial Symposium, Portland, Maine, Guest Speaker, 1978

The management of choanal atresia with the CO<sub>2</sub> laser: American Laryngological Association, Palm Beach, Florida, 1978

Visiting Professor, University of Connecticut, Department of Otolaryngology, 1978

Guest Lecturer, Rhode Island ENT Society, 1978

Microsurgery of the larynx: Boston University Seminar on Laryngeal Surgery, 1978

Guest Lecturer, Greater Hartford Otolaryngological Society, Hartford, Connecticut, 1978

Guest Lecturer, Mercy Hospital, Rockville Center, New York, 1978

Guest Speaker, Medical Grand Rounds, The Children's Hospital, Boston, Massachusetts, 1978

Otolaryngology and Allergy: Allergy Course, The Children's Hospital, Boston, Massachusetts, 1978

Acute inflammatory disease of the larynx: St. Raphael's Hospital, New Haven, Connecticut, 1979

The use of the CO<sub>2</sub> laser in the pediatric airway: American Pediatric Surgical Association, Los Angeles, California, 1979

Management of benign lesions of the larynx in children: International symposium of the larynx, San Francisco, California, 1979

The Bi-pedicle chest flap: American Society for Head and Neck Surgery, Los Angeles, California, 1979

Treatment of subglottic hemangioma with the carbon dioxide laser: Eastern Section Meeting of the Triological Society, Montreal, Quebec, Canada, 1980

Visiting Professor, University of West Virginia Academy of Otolaryngology, 1980

Hemophilus Influenza Type B soft tissue infections of the head and neck: 83rd Annual Meeting of the American Laryngological, Rhinological and Otological Society, 1980

Head and neck tumors of children: West Virginia Academy of Otolaryngology, 1980

Perilymphatic fistula - fact or fiction: West Virginia Academy of Otolaryngology, 1980

Management of subglottic stenosis: West Virginia Academy of Otolaryngology, 1980

Management of pediatric airway emergencies: Connecticut ENT Society, 1980

Visiting Professor, Papillomatosis and laser surgery in the neonate: Medical College of Virginia, 1980

Visiting Professor, S.U.N.Y., Albany, New York, Department of Otolaryngology, 1981

A review course and update in obstetrics and gynecology, Boston, Massachusetts, 1981

Visiting Professor, University of Virginia School of Medicine, 1981

The use of the CO<sub>2</sub> laser in Pediatric Otolaryngology- An update: XIIth World Congress of Otorhinolaryngology, Budapest, Hungary, 1981

Pediatric Otolaryngology - A Course: The Children's Hospital, Boston, Massachusetts, 1982

Nasal surgery in children: Mount Sinai School of Medicine, New York 1982

Treatment of inflammatory disorders of the pediatric airway: Mount Sinai School of Medicine, New York, 1982

Pediatric aspects of facial paralysis: Mount Sinai School of Medicine, New York, 1982

Cauterization of the tympanic membrane: Mount Sinai School of Medicine, New York, 1982

Management of otitis media: Walter Reed Army Medical Center, Washington, D.C., 1982

Middle ear disease in children: Walter Reed Army Medical Center, Washington, D.C., 1982

Subglottic stenosis: Walter Rood Army medical Center, Washington, D.C., 1982

Management of benign lesions of the pediatric airway: Walter Reed Army Medical Center, Washington, D.C., 1982

Airway problems in children: Walter Reed Army medical Center, Washington, D.C., 1982

Otitis media with effusion: Oporto, Portugal, 1982

Tympanoplasty and cholesteatoma surgery: Oporto, Portugal, 1982

Complications of sinusitis: Oporto, Portugal, 1982

Airway obstruction secondary to tonsils and adenoids: Oporto, Portugal, 1982

Foreign bodies of the air and food passages: Oporto, Portugal, 1982

Croup and epiglottitis: Oporto, Portugal, 1982

Sinusitis in immunodeficient children: Third International Conference of Pediatric Otolaryngology, Bath, England, 1982

Otitis media in children: Westchester County Medical Society, Rye, New York, 1982

Complications of laser surgery: A review of 4,400 cases: American Academy of Otolaryngology, New Orleans, Louisiana, 1982

New techniques in foreign body removal: American Academy of Otolaryngology, New Orleans, Louisiana, 1982

Cholesteatoma in children: American Academy of Otolaryngology, New Orleans, Louisiana, 1982

The use of the CO<sub>2</sub> laser in pediatrics: Albert Einstein School of Medicine, New York, 1983

Visiting Professor, University of Michigan, Ann Arbor, 1983

Guest Speaker, Pediatric Otolaryngology - An update, Michigan Otolaryngological Society, Annual Meeting, 1983

Chairman, Panel on nasal and sinus problems in children: American Academy of Otolaryngology, Anaheim, California, 1983

Visiting Professor, Henry Ford Hospital, Detroit, Michigan, 1983

Visiting Professor, Ohio State University, Columbus, Ohio, 1983

Guest Speaker, Columbus Otolaryngological Society, Columbus, Ohio, 1983

Airway problems in children: Gilbert Hospital, Gloucester, Massachusetts, 1983

Safety of the CO<sub>2</sub> laser: American Academy of Otolaryngology, 1983

Visiting Professor, Hospital for Sick Children, Toronto, Ontario, Canada, 1983

Visiting Professor, University of Massachusetts School of Medicine, Lasers in Pediatric Otolaryngology, Worcester, Massachusetts, 1984

Guest Speaker, Bryn Mawr Hospital, Bryn Mawr, Pennsylvania, 1984

Guest Speaker, Triological Society, Palm Beach, Florida, 1984

Moderator, Panel of Laser Surgery: Annual Meeting, American Society for Laser Medicine and Surgery, Salt Lake City, Utah, 1984

Moderator, Panel on Tracheotomy: American Academy of Otolaryngology, Las Vegas, Nevada, 1984

Visiting Professor, Royal Alexandria Children's Hospital, Sydney, Australia, 1984

Visiting Professor, Royal Children's Hospital, Melbourne, Australia, 1984

Visiting Professor, Singapore General Hospital, 1984

Discussor, Eastern Section Triological Society, Syracuse, New York, 1985

Panel Member-Pediatric Endoscopy XIIIth World Congress of Otorhinolaryngology, Miami, Florida, 1985

Paraglottic Laryngitis: Presented to the Annual Meeting, American Laryngological Association, Miami, Florida, 1985

Guest Speaker, Pediatric Grand Rounds, St. Elizabeth's Hospital, Boston, Massachusetts, 1985

Guest Lecturer, University College, Cork, Ireland, 1985

Gill Lecturer, Gill Hospital, Roanoke, Virginia, 1986

An Approach to the Nasal Septum in Children, The Triological Society, Philadelphia, Pennsylvania, 1986

Guest Speaker, Second National Conference on Research Goals in Otolaryngology, Washington, D.C., 1986

Guest Lecturer, Jackson Course, Temple University, 1986

Chairman - Panel on Laryngeal Problems in Children - American Laryngological Association, Palm Beach, Florida, 1986

Panelist - Disorders of the Larynx in Childhood, American Bronchoesophagological Association, 1986

Guest Lecturer, Hill Course, Colby College, Waterville, Maine, 1986

Chairman, Panel on Tonsillectomy and Adenoidectomy, American Academy of Otolaryngology - Head and Neck Surgery, San Antonio, Texas, 1986

Guest of Honor, Connecticut Otolaryngological Society, New Haven, Connecticut, 1986

Visiting Professor, New York eye and Ear Infirmary, 1986

Visiting Professor, University of British Columbia, Vancouver, British Columbia, Canada, 1986

Guest Lecturer, Jackson Course, Temple University, Philadelphia, 1987

Panel Member - Pediatric Laryngeal Disease, American Laryngological Association, Denver, Colorado, 1987

Moderator - Annual Meeting, American Society of Pediatric Otolaryngology, Colorado Springs, Colorado, 1987

Visiting Professor, Department of Otolaryngology, Johns Hopkins Medical Center, Baltimore, Maryland, 1987

Guest Lecturer, Eastern Canadian Otolaryngology Society, Halifax, Nova Scotia, 1987

Guest Lecturer, Laryngeal Papillomatosis, International Symposium on the Pediatric Airway, Washington, D.C., 1987

Guest Speaker, Pan Pacific ORL Association, Hawaii, 1988

Guest Lecturer, Maine Society of Otolaryngology, Portland, Maine, 1988

Guest Lecturer, The Jackson Course, Temple University, Philadelphia, Pennsylvania, 1988

Visiting Professor, University College Cork, Cork, Ireland, 1988

President-Annual Meeting, American Society of Pediatric Otolaryngology, Kiawah Island, South Carolina, 1988

Guest Lecturer, West Virginia Academy of Otolaryngology - Head and Neck Surgery, White Sulphur Springs, West Virginia, 1988

Surrogate Speaker for Vice President George Bush, American Medical Association, Specialty Group, Washington D.C., September 1988

Surrogate Speaker for Vice President George Bush, NYMSPAC, New York, September 1988

Surrogate Speaker for Vice President George Bush, Henry Ford Foundation, Detroit, Michigan, October 1988

Guest Lecturer, The Jackson Course, Temple University, Philadelphia, Pennsylvania, 1989

John F. Daly Visiting Professor, New York University Medical Center, New York, 1989

Visiting Professor, Recent Advances in Ear, Nose and Throat Diseases in Infants and Children, Children's Hospital of Pittsburgh, Pennsylvania, 1989

Visiting Professor, Department of Otolaryngology and Communication Disorder, University of Pennsylvania, 1989

Visiting Professor, Otitis Media, Pediatric Grand Rounds, Children's Hospital Medical Center, Cincinnati, Ohio, 1990

Visiting Professor, Head and Neck Tumors in Children, Otolaryngology Grand Rounds, Children's Hospital Medical Center, Cincinnati, Ohio, 1990

Visiting Professor, American Medicine - Where We Have Been and Where We Are Going, ENT Society, MediClub, Cincinnati, Ohio, 1990

Visiting Professor, The Evaluation of Stridor in Children, Department of Otolaryngology, The Mayo Clinic, Rochester, Minnesota, 1990

Visiting Professor, Head and Neck Tumors in Pediatric Age Group, Department of Otolaryngology, The Mayo Clinic, Rochester, Minnesota, 1990

Visiting Professor, Evaluation of Stridor, Columbia Presbyterian Medical Center, New York, 1990

Visiting Professor, Head and Neck Tumors in Children, Pediatric Grand Rounds, Columbia Presbyterian Medical Center, New York, 1990

Lecturer, Surgical Treatment of Head and Neck Malignancies in Children, New Perspectives in Otolaryngology - Head and Neck Surgery, Paris, France, 1990

Guest of Honor, Annual Meeting of the Japan Bronchoesophagological Society, Kagoshima, Japan, 1990

Visiting Professor, Kyoto Prefectural Medical School, Kyoto, Japan, 1990

Lecturer, Eighth British Academic Conference in Otolaryngology, Dublin, Ireland, 1991

Eastern Section Triological Society, Chairman of Panel on Sinusitis, Boston, 1992

Visiting Professor: Distinguished Lecture Series, Children's Hospital, Omaha, Nebraska, 1992

CME Course, Participant, University of Miami, Florida, 1992

Visiting Professor, Long Island College Hospital, Brooklyn, New York, April, 1992

Visiting Professor, Acute and Chronic Airway Obstruction in Children, Long Island College Hospital, Brooklyn, New York, April, 1993

Guest Lecturer, Connecticut State Otolaryngology Society, Yale University, Connecticut, May, 1993

Thyroid disease, Massachusetts Eye and Ear Infirmary, Boston, May, 1993

Guest Speaker, Congenital Anomalies of the Larynx, Turkey, June, 1993

Guest Lecturer, Otitis Media, Nottingham, England, July, 1993

Guest Lecturer, Surgical Management of Head and Neck Malignancies in Children, London, England, July, 1993

Guest Lecturer, Laser Surgery of the Airway, Pittsburgh, July, 1993

Guest Lecturer, Head and Neck Tumors in Childhood, Brown University, Rhode Island, October, 1993

Guest Speaker, Management of Juvenile Angiofibromata, London, England, December, 1993

Visiting Professor, Loyola University, Illinois, April, 1994

Visiting Professor, Cleveland Clinic, Cleveland, Ohio, September, 1994

International Pediatric Otolaryngology Head and Neck Surgery Meeting, Gleneagles Hospital, Singapore, November, 1994

Robert Selfe Visiting Professor, Management of Malignant Head and Neck Tumors in Children, New York Hospital-Cornell Medical Center, New York City, December, 1994

Sidari, JN, Forsen, Jr., JW, Schneider, LC, Healy, GB. Chronic Otitis Media and Primary Immunodeficiency in the Pediatric Patient. Poster Presentation, 11th Annual Meeting of the American Society of Pediatric Otolaryngology, 1994.

Rorer Visiting Professor, University of Virginia Health Sciences Center, Charlottesville, Virginia, February, 1995

Holinger Visiting Professor, Head and Neck Malignancies in Infants and Children, Children's Memorial Hospital, Chicago, Illinois, February, 1995

Saunders Lectureship Award Recipient, Ohio State University, Arthur G. James Cancer Hospital and Research Institute, Columbus, Ohio, June, 1996.

Visiting Professor, Stanford University Medical Center, Eighth Alumni Day Program, Stanford, California, June, 1996.

Participant, First International Days in Pediatric Otorhinolaryngology Endoscopy, Lyon, France, October, 1996.

Participant, XVI World Congress of Otorhinolaryngology Head and Neck Surgery, Sydney, Australia, March 1997.

Guest Lecturer, 77th Annual Meeting of the American Bronchoesophagological Association, Scottsdale, Arizona, May 1997

Guest Lecturer, 12th Annual Meeting of the American Society of Pediatric Otolaryngology, May, 1997

Guest Speaker, University of Washington Alumni Day, Department of Otolaryngology - Head and Neck Surgery, Seattle, Washington, 1998.

Adams Lecturer, Vanderbilt University Medical Center, Department of Otolaryngology, New Treatment of Pediatric Head and Neck Malignancies, Nashville, Tennessee, June 19-20, 1998.

Tan, H, Brown, KA, Kenna, MA, McGill, T, Healy, GB: Airway Foreign Bodies (AFB): A Ten year Review. Poster Presentation, 14th Annual Meeting of the American Society of Pediatric Otolaryngology, 1999.

Honored Guest, 14<sup>th</sup> Annual Meeting of the American Society of Pediatric Otolaryngology, Desert Springs, California, 1999.

Panel Discussant, Triological Society, Desert Springs, California, May, 1999.

Panel Discussant, American Laryngological Association, Desert Springs, California, May, 1999.

Participant, International Endoscopy Day, San Diego, California, May, 1999.

Moderator, Eastern Section Meeting, Triological Society, Update - Common Problems in Pediatric Otolaryngology, Philadelphia, PA, January 2000.

Participant, American Laryngological Voice Research and Education Society Lecture Series, New York, January 2000.

Guest Lecturer, Second Lawrence Savetsky Lectureship, Columbia University, College of Physicians & Surgeons, New York, April 2001

Guest Lecturer, West Virginia Academy of Otolaryngology-Head and Neck Surgery, May, 2001

Participant, American Academy of Otolaryngology Head & Neck Surgery, Combined Otolaryngological Spring Meetings, Palm Desert, CA, May, 2001.

Honored Guest, Montefiore Children's Hospital Dedication, New York, New York, Evaluation of Stridor in Children. June, 2001.

Participant, US/UK Joint Otolaryngology Meeting (AAOHNS), St. Andrews, Scotland, July 2001.

Inaugural Visiting Professor, Children's Hospital at Montefiore, Albert Einstein College of Medicine, New York. Evaluation of Stridor in Children and The Role of the Pediatric Otolaryngologist in the 21<sup>st</sup> Century. October, 2001

Guest Lecturer, Chicago Laryngologic and Otologic Society, Chicago, Illinois. Pitfalls in the Management of Pediatric Airway Disorders. November, 2001.

Participant, American Academy of Otolaryngology Head and Neck Surgery Foundation, President's Day, Washington DC, March, 2002.

Moderator, American College of Surgeons, Boston. The Use of Simulators in Surgical Education, April, 2002.

Participant, American Academy of Otolaryngology Head & Neck Surgery, Combined Otolaryngological Spring Meetings, Boca Raton, Florida, May 2002.

Moderator & Participant, World Congress for Bronchoesophagology, Boston, June 2002.

Participant, American College of Surgeons, San Francisco, California, September, 2002.

Guest Lecturer, Rhode Island Hospital, Providence, Rhode Island. Maintenance of Certification/The Etiology of Stridor in Children. March, 2003

Participant, American Academy of Otolaryngology Head and Neck Surgery Foundation, President's Day, Washington DC, March, 2003.

Guest Lecturer, Boston Medical Center, Boston, Massachusetts. The Pediatric Airway, March, 2003

Guest Lecturer, Yale University School of Medicine, New Haven, Connecticut. Certification for Otolaryngology in the 21<sup>st</sup> Century, June, 2003.
